Volunteers needed for the International Home and Housewares Show

Together We Cope is honored by having been named one of five charities to benefit from the March 2017 International Home and Housewares Show. This year's event features 2,200 exhibitors from around the world, and will be held at McCormick Place in Chicago. At the conclusion of the show, vendors donate the products in their exhibit to a designated charity. This extraordinary opportunity will allow Together We Cope to provide items to our families in crisis. Hundreds of additional products will be sold in our resale shop, Nu2u, to support our programs and services.

This may be the largest project we've ever tackled. We will need to pack and transport up to 200 pallets of housewares products. However, we are confident that our community will respond to our plea for volunteers. Can you help?

- **We need about 100 volunteers on Tuesday March 21, to help us package donations. Some light lifting, and extensive walking is involved.**
- **Individuals and groups are welcome to join us!**
- **Volunteers can spend all or part of the day on this project, which is from 1:00 to 8:00pm.**
- **We are planning to provide round-trip transportation, by bus, to McCormick Place from our office at 17010 South Oak Park Avenue in Tinley Park. (Details will be provided as we get closer to the date.)**

We need to submit the names of all volunteers by March 1, so please respond by Monday, February 27.
